

STOC

- Designed to meet PEO STRI's need for a streamlined process, quick response contractual vehicle for long-term simulation, training and instrumentation products and services
- Multiple award indefinite delivery/indefinite quantity contract
- Permits the issuance of delivery/task orders at any phase within the acquisition life cycle
 - Provide fair opportunity to all awardees
 - Rely on teaming capability to meet requirements

- Total of 33 awards
 - 19 to Large Businesses
 - 14 to Small Businesses
- \$4B ceiling over 8 year ordering period
- Currently funded at \$2,247,219,743

STOC

- Areas of concern:
 - Domains
 - Dynamic Teaming
 - Addition of new prime contractors

- Areas of concern:
 - Primes failing to report small business subcontractor participation
 - Mandatory semi-annual small business participation reporting requirements on each delivery/task order
 - Erosion of small business primes due to acquisitions by large companies
